# Service Efforts and Accomplishments

In Fiscal Year 2008, the Office of Special Events provided management services to an extensive portfolio of national and international level events that took place in San Diego including the Buick Open, Fed Cup, Red Bull Races, Rock 'n' Roll Marathon, U.S. Open, Bio 2008, Comic-Con International, Surf Cup, and the Poinsettia and Holiday Bowls. Additionally, the Office of Special Events provided permitting, technical support, or promotional services to 1,700 community and major civic events attended by 10 million people.

Working collaboratively with the San Diego Business Improvement District Council, the Office of Special Events oversees the fundraising and management of Balboa Park December Nights, the largest free festival in San Diego. An average of 250,000 people attend San Diego's favorite kick-off to the holiday season which will be one of the signature events featured in the 100<sup>th</sup> anniversary celebration of the park—Balboa Park 2015.

A number of policies and regulations adopted by the City of San Diego became effective in Fiscal Year 2008 that had an impact on the event industry including new recycling requirements, storm water pollution prevention regulations, and the one-year trial "alcohol ban" for the beach and bay areas. Implementation of these new regulations required extensive outreach to the industry, policy development, and increased the regulatory compliance requirements for event organizers. Additionally, the Office of Special Events played a key role in the management of the Rancho Bernardo Local Assistance Center that was established to serve San Diegans affected by the October 2007 fire storms.

The City of San Diego continues to serve as an industry leader in the management of special events. The impact of the September 11, 2001 terrorist attacks on the World Trade Center has been significant to the special event industry with many agencies and organizations recognizing the potential exposure special events can bring to their municipality. Since 2001, more than 450 municipalities, agencies, and organizations have sought best practices materials and information from the Office of Special Events to use as benchmarks in the establishment of their internal policies and operating practices. The City of San Diego's reputation as a leader in event management complements the economic development and visitor industry initiatives to bring major national and international level events and conventions to San Diego that benefit the regional economy.
